

3D Pioneer Systems Announces Launch of Beta Website and Introduces Executive Leadership Team

3D Pioneer Systems Announces Launch of Beta Website and Introduces Executive Leadership Team

LONDON, UNITED KINGDOM--(Marketwired - Feb 3, 2014) - 3D Pioneer Systems, Inc., a Nevada corporation ("3D Pioneer" or "the Company") (OTCBB: DPSM) announced today that it has launched the beta version of the Company's website www.3d-pioneer.com. The site is currently under construction and will continue to be developed before its official launch. The Company welcomes feedback and suggestions from prospective users of the final site. Presently, the beta platform is available in desktop mode with the mobile version to follow after the official launch of the site.

Alexander Tsingos, CEO of 3D Pioneer stated "The raison d'etre for launching the beta site now is to allow the market the opportunity to explore, review information about the Company, our technology initiatives and become educated about this exciting sector. We are looking forward to feedback from our prospective users on the new site."

3D Pioneer today also announced the formation of its initial board of advisors. The Company believes the new board of advisers shall bring the valuable and diverse backgrounds necessary to support and advise the executive team on its corporate initiatives.

The Board of Advisors includes:

Ivan Gill VP Product Development Mr. Gill has over 20 years of senior management experience with technology companies and the finance industry, including 16 years as a network and banking systems consultant at Harrods Bank Ltd. Ivan is a seasoned technology veteran with extensive experience including IT infrastructure, Network Security, Office and Banking Applications, Ivan graduated from Oxford University with a degree in Physics.

Conrad Zammit Technical Advisor VP Marketing Mr. Zammit holds a BA (Hons) in International Business from the European Business School, Regents University London. Conrad brings a combination of knowledge and experience from the fields of management, entrepreneurship, prior to joining 3D Pioneer, he worked in the marketing division with the Zammit Group of Companies one of Malta's leading family-run businesses. The Group's portfolio spans over different sectors, namely: automotive, marine, shipping, oil and gas, natural energy and trading.

Christopher J. Curmi Technical Advisor - Interactive Media Chris is a talented 3d graphic artist with a passion for digital media and holds a Bachelor of Arts (Hons) in Graphic Design and Interactive Media. Prior to joining 3D Pioneer he was key member at Alta Laboratories, a multinational cosmetics company, providing integrated multiplatform marketing programs from first conceptual stages through to final production.
